

Dundee City Fencing Club

Equality and Diversity Statement

Dundee City Fencing Club shares British and Scottish Fencing's commitment to reaching and working with people from all communities.

Our commitment to inclusion extends to everyone, in whatever role they wish to have – whether playing, coaching, assisting or officiating - and whether they are visitors, volunteers, employees of the club or self-employed people.

Dundee City Fencing Club aims to ensure that no individuals (including participants, parents, coaches and administrators) receive less favourable treatment on grounds related to their sex, age, disability, 'race', ethnic origin, gender, parental or marital status, pregnancy, religion and belief, socio-economic status or sexual orientation. There will be a safe and welcoming environment for all, and everyone will be treated equally and with respect from the moment they walk through our doors. We ask and expect the same in return.
